Announcement

1 1 1

About 1892 the first sale was held by the Marshall County Shorthorn Breeders Association. In 1902 there was a sale held at Rhodes, Iowa of S. P. Girton's and Fricke Brothers cattle. S. P. Girton is father of Earl Girton and Renton Fricke is a nephew of the Fricke Bros., both having cattle in this sale.

This makes the 50th sale held by this organization. As far as we know this is the greatest number of sales held by any organization of its kind. We think this is quite a record.

Considering the rise in price of commercial cattle, the change in general farm conditions, and the excellent prospects for plenty of grass, farmers and breeders are not content to make replacements in their herds with any but cattle of good type and quality.

To supply cattle of the character that will meet this demand, leading breeders of Shorthorns offer at this sale, bulls and heifers that will please the most critical eye. Therefore, we urge everyone interested in Shorthorns to be present on sale day. Come early and see the cattle paraded before the judge, R. W. Hagie. It will help you to make selections before they are led into the auction ring.

Again we extend to you an invitation to be with us on Tuesday, March 11 for the 50th Annual Marshall County Shorthorn Breeders Shorthorn Sale.

Terms and Conditions of Sale

LOCATION—The sale will be held in the comfortable new Marshalltown sales barn located on South 18th Avenue. This is just south of Main Street eighteen blocks east of the court house. It will be held on Tuesday, March 11, 1941, with the show beginning at nine-thirty and the sale at twelve-thirty. Intersecting roads make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for, if not used under fourteen months of age and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave with, or send their bids to Clint Tomson of the Shorthorn World, J. E. Halsey of Wallaces' Farmer, C. G. Mason, auctioneer, J. R. Fleming, sale manager, or to any of the consignors.

Browndale Salute No. 2023410

Browndale Salute 2023410 we think is one of the top calves of his age that will sell in any sale this spring. He is thick, good quarters and covered with a smooth mellow flesh and a very thin hide. His sire is a dark red, and his dam a dark roan, almost a red, and is just the same type as this calf. She is a full sister to the bull we sold Gerke Bros. that is proving to be the best sire they ever used. He sired a champion and the top selling cattle in these sales last year.

Thistle's Silver 2034846—Is a very short legged, deep bodied, thick bull, with nice head and lots of masculine character. He wears a white coat, on a mellow hide, that always indicates a good stock and easy feeder. If you can use a white bull, don't overlook him, he has the type and quality we all want. His dam is a nice evenly mixed roan and one of the best cows sired by Village Vanguard, regarded by Harry Hopley as one of the very best sons of Village Beau.

Jealous Queen 2034848—Is of ideal type, in fact, she has everything that makes a good one. She has a pleasing disposition and would make an ideal 4-H club heifer, or to put in the herd. Note, she is the 5th generation of our breeding and have been members of our herd over 30 years. Some of the very best cattle we ever produced belong to this family. Study her pedigree, it's faultless, buy her and get a good one.

Cassandra Queen No. 2023411

Cassandra Queen 2023411 is a real prospect for a winning summer yearling show heifer or an outstanding 4-H club heifer. She is deep bodied, smooth and has an ideal head. She is a full sister to the champion Shorthorn steer at the Central Iowa Fair last fall, but looks much better at the same age than he did. Dam and sire are both solid reds.
